“A married couple gives a severe blow to the head of that ancient serpent when they aim to give as much sexual satisfaction to each other as possible. Is it not a mark of amazing grace that on top of all the pleasure that the sexual side of marriage brings, it also proves to be a fearsome weapon against our ancient foe?... Marriage at its exquisite peak of pleasure speaks powerfully the truth of covenant-keeping love between Christ and his church. And that love is the most powerful force in the world.” John Piper

Matthew 5:27–30

“You have heard that it was said, ‘You shall not commit adultery.’ [28] But I say to you that everyone who looks at a woman with lustful intent has already committed adultery with her in his heart. [29] If your right eye causes you to sin, tear it out and throw it away. For it is better that you lose one of your members than that your whole body be thrown into hell. [30] And if your right hand causes you to sin, cut it off and throw it away. For it is better that you lose one of your members than that your whole body go into hell.” (ESV)

1 Corinthians 7:3-5

"The husband should give to his wife her conjugal rights, and likewise the wife to her husband. [4] For the wife does not have authority over her own body, but the husband does. Likewise the husband does not have authority over his own body, but the wife does. [5] Do not deprive one another, except perhaps by agreement for a limited time, that you may devote yourselves to prayer; but then come together again, so that Satan may not tempt you because of your lack of self-control."
